SKILLS

NextJS | React | TypeScript | JavaScript | HTML | CSS | SQL | MongoDB | Python | Git | Docker | Java

EXPERIENCE

Advent Share Ministries   Remote
Full Stack Developer   June 2023 - Present
- Reduced the time to find project information and donation methods by 50% by building an intuitive navigation using Next.js and Framer Motion for smooth animations.
- Improved content turnaround time by 70% for editors and developers by utilizing modular system design using TypeScript and CSS.

PROJECTS

Personal Website
- Accomplished seamless server-side rendering and improved performance by implementing Next.js as the framework, hosting the web application on AWS using Route 53 for DNS Management, and utilizing S3 buckets for storing and serving static assets.
- Utilized: Next.js, TypeScript, Framer Motion, CSS, AWS Route 53, AWS S3

Auto Email Recommender
- More Info on Github
- User authentication and authorization connected to MongoDB.

More Projects listed on my personal website.

LEADERSHIP & AFFILIATIONS

CodePath | Community Member | Remote   June 2023 - August 2023

Andrews Filipino International Association | President | Berrien Springs, MI   May 2023 - Present
- Led a small team while overseeing all organizational and administrative duties of the largest cultural club at Andrews University.
- Fostered a welcoming and inclusive environment that encouraged members to share their cultural experiences and express their unique perspectives.
